Reebs' Fiesta Bean & Corn Salad

INGREDIENTS

1 15 oz. can black beans, drained and rinsed
1 15 oz. can corn, drained
1 Roma tomato, diced
1/2 red bell pepper, diced small
3 green onions, sliced
1/4 cup chopped cilantro
1 tablespoon WYW Fiesta blend, plus more to taste
1/2 cup prepared WYW salsa
1 lime, cut into wedges

METHOD

Prepare the salsa separately according to the package directions.

Toss the black beans, corn, tomato, bell pepper, green onions, and cilantro with the Fiesta blend. Fold in 1/2 cup of the prepared salsa and let stand for 10 minutes so the seasoning flakes soften.

Taste before adding lime. The salsa may already have enough tang. If it needs brightness, squeeze in a lime wedge. If you want more Fiesta flavor, add another teaspoon of the blend. Serve with the remaining lime wedges. Enjoy!

TIP

Serve over a baked potato with an extra spoonful of salsa.
